Louis Latour

Vintage	2020
Country of Origin	France
Region	South of France
Grape varieties	Chardonnay

Wine description

Louis Latour came to the Ardèche in 1979 attracted by its climate and the clay limestone soils that are perfect for the Chardonnay vine. The consistent climate and abundant sunshine perfectly ripen the grapes, whilst the drying Mistral wind eliminates the risk of rot. Grand Ardèche is treated as if it were grown in one of the prestigious vineyards of the Côte d'Or. Fully-ripened grapes are selected and pressed lightly before being aged in oak barrels made at the Latour cooperage in Beaune.

Tasting note

This wine offers aromas of fresh almonds and vanilla with fresh green apple and citrus overtones. On the palate intense aromas of acacia flowers and vanilla. Full bodied and reminiscent of the great Burgundian villages of Meursault.
