#### Wine description

The appellation of Morgon is situated entirely within the parish of Villié-Morgon. Here the soil sets its wines apart from the other Crus with a higher percentage of sand and shale due to the particular way in which the local schist layers have weathered. Consequently the wines are firmer and darker in colour than the other Crus.

#### Tasting note

This wine displays intense floral aromas with subtle hints of violet and blackberry. The palate is ample and reveals notes of blackberry and spices. Beautiful silky tannins on the finish.
