Wine description

The Domaine de Valmoissine is located on the site of the ancient monastery and university of Valmoissine in the village of Aups close to the Verdon gorge. It is a high altitude site and provides plenty of sunshine with cooler temperatures. This helps to ensuring the grapes ripen slowly, on low yielding vines, avoiding jammy flavours or too much alcohol. Winemaking is simple and employs traditional Burgundian techniques.

The wine is ruby coloured with garnet tints. It has an intense aromas of Morello cherries and delicate wild herbs. The palate is harmonious with ripe tannins and balanced acidity. It is medium bodied with rich summer pudding fruit flavours and a long silky finish.
