#### Wine description

The village of Puligny-Montrachet is home to some of the world's most extraordinary Chardonnays including the famous Montrachet, Chevalier-Montrachet and Bâtard-Montrachet. The village wines themselves are racy with a bouquet of almonds, fern, hawthorn and peaches. The flavours are rich but steely, a characteristic that often distinguishes them from their neighbours in Meursault and Chassagne.

#### Tasting note

This Puligny-Montrachet has a heady bouquet of apricots, fresh almonds and subtle toasted notes. It has a beautiful finesse and lovely structure on tasting.
